#### WEDNESDAY, NOVEMBER 10, 2010

7:00 PM – 9:00 PM UNIVERSITY OF WASHINGTON KANE HALL – ROOM 210 **DAVID LOEVINGER** is the Treasury Department's Senior Coordinator and Executive Secretary for China Affairs and the U.S.-China Strategic & Economic Dialogue. In this role, he leads the U.S. Government's negotiations with the Chinese government on the economic track of the dialogue. Prior to his appointment, he was the U.S. Minister-Counselor for Financial Affairs to the People's Republic of China. As the Treasury Department's first permanent representative to China, he was responsible for deepening U.S.-Chinese engagement on financial and macroeconomic issues, including exchange rate policies.

**MINXIN PEI** is the Tom and Margot Pritzker '72 Professor of Government and the director of the Keck Center for International and Strategic Studies at Claremont McKenna College. His research focuses on democratization in developing countries, economic reform and governance in China, and U.S.-China relations. He is the author of *China's Trapped Transition: The Limits* of Developmental Autocracy (Harvard University Press, 2006) and From Reform to Revolution: The Demise of Communism in China and the Soviet Union (Harvard University Press, 1994).

**THOMAS RAWSKI** joined the University of Pittsburgh's faculty in 1985 after fourteen years at the University of Toronto. His research focuses on the nature and implications of recent developments and long-term changes in the economy of China. His recent work includes editing and contributing to the volume *China's Great Economic Transformation* (University of Toronto Press, 2008), and coauthoring *China's Rise and the Balance of Influence in Asia* (University of Pittsburgh Press, 2007).

THE NATIONAL BUREAU OF ASIAN RESEARCH (NBR)

The National Bureau of Asian Research is a nonprofit, nonpartisan research institution with offices in both Seattle and Washington, DC. NBR's mission is to inform and strengthen policy in the Asia-Pacific and conducts advanced research on politics and security, economics and trade, and health and societal issues. Drawing upon an extensive network of the world's leading specialists, and leveraging the latest technology, NBR bridges the academic, business, and policy arenas. Learn more about NBR's research at www.nbr.org

#### HENRY M. JACKSON FOUNDATION

Since its establishment in 1983, the Henry M. Jackson Foundation has been dedicated to helping nonprofit organizations and educational institutions in the United States and Russia. The Foundation's grants provide essential support and seed funding for new initiatives that offer promising models for replication and address critical issues in four areas in which the late Senator Henry M. "Scoop" Jackson played a key leadership role during his forty-three year tenure in the Unites States Congress: International Affairs Education, Environment and Natural Resources Management, Public Service, and Human Rights. Learn more about the Jackson Foundation's mission at http://www.hmjackson.org.

THE HENRY M. JACKSON SCHOOL OF INTERNATIONAL STUDIES, UNIVERSITY OF WASHINGTON

The Henry M. Jackson School of International Studies at the University of Washington combines the social sciences, humanities, and professional fields to enhance our understanding of our increasingly interconnected globe. The Jackson School's commitment to regional, cross-cultural, and comparative studies extends well beyond the boundaries of its many formal academic programs. The school has eight Title VI National Resource Centers (NRC) devoted to outreach and public education activities. The school is named for the late Senator Henry M. Jackson, in recognition of his interest and support for the school and for the field of international affairs. To learn more about the Jackson School of International Studies, please visit: http://jsis.washington.edu/.
