**ASIA POLICY 21 FEATURES SOUTH CHINA SEA PERSPECTIVES**

*Advance copies available to the media*

On January 25, 2016, the [National Bureau of Asian Research](#) (NBR) will release [Asia Policy 21](#), featuring a roundtable on non-claimant states' perspectives and interests in the South China Sea disputes; essays on Taiwan and the Trans-Pacific Partnership, challenges in reforming China's state-owned enterprises, and South Korea's strategic dilemmas vis-à-vis China and the United States; an article examining whether South Korea is in China's strategic orbit; and a book review roundtable on Andrew Small's *The China-Pakistan Axis: Asia's New Geopolitics*. Full advance copies are available to the media upon request.

*Asia Policy* is NBR's peer-reviewed journal presenting policy-relevant academic research on the Asia-Pacific. The essay on Taiwan and the Trans-Pacific Partnership has been released as advance material and can be accessed [here](#). The South China Sea roundtable was pre-released today, January 21, on NBR's [website](#).
